# Our dissemination numbers

- **72(66) subscribers** to our three-monthly newsletters: the **open rate is around 67%**
- **117 articles published** so far on our website
- **13(5) video published** on our YouTube channel
- **299(270) FB** followers, **134(1 18) IG** followers, **141(90) LinkedIn** connections
- **YOUTUBE: 981(485) views, 21(1 6) subscribers and 22(1 6) likes**

## Just a reminder

- You should **involve your social channels** (individual or institutional), **share posts** and **talk about the SAFETY project**
- As we'll discuss today, we are experiencing the **most important step of our project**, and we should also be ready with the dissemination related to the launch of our pilot courses to our future learners, companies and evaluators
- As always, don't forget that **dissemination activities are a commitment** and can lead to risky consequences for the consortium

# Some important recommendations

- We have to **push hard on dissemination activities** to make the SAFETY project better known
- Don't forget your **articles deadlines!**
- Don't forget to compile your **dissemination tracking** with each dissemination activity, avoiding piling up work and making mistakes
- Invite people to **subscribe** to the SAFETY newsletter
- **Share the SAFETY** project to reach many stakeholders and to efficiently achieve our project objectives

Let's move on to our SAFETY e-learning platform!
