

SAFETY YouTube channel

- ✓ **By the end of October 2022** all your short presentations must be ready
- ✓ Infotech will upload your videos to the YT channel
- ✓ The videos should be a **maximum of 3/4 minutes**
- ✓ It should be recorded in **landscape (horizontal) format.**

SAFETY YouTube channel

The **questions to be answered** will be as follows:

1. Who are you? What is your personal background? And within your institution?
2. What are the core activities of the partner you represent? Do you have similar experiences in activities that the project deals with?
3. What is your contribution to SAFETY? What is the added value of your contribution compared to the other partners? What are your expectations?
