With the participation of the project partners:

- *Università di Foggia - Dip. di Scienze Mediche e Chirurgiche (Coordinatore Scientifico SAFETY Prof.ssa Gilda Cinnella)*
- *Hospital Clinic of Barcelona (Spagna)*
- *The Emergency Institute for Cardiovascular Diseases “Prof Dr CC Iliescu” (Romania)*
- *Ludwig-Maximilians-University (Germania)*
- *The University of Stavanger (Norvegia)*
- *Azienda Sanitaria dell’Alto Adige (Italia)*
- *ValueDo S.r.l. (Italia)*
- *InfoTech (Italia)*
- *LAERDAL (Italia)*
- *Take The Wind (Portogallo)*
- *AMC (Austria)*

SAFETY is funded by the Erasmus+ KA2: Cooperation for innovation and the exchange of good practices - Knowledge Alliances (Grant agreement n. – 621605-EPP-1-2020-1-IT-EPPKA2-KA)

Team SAFETY UniFG contacts:

Gilda Cinnella - gilda.cinnella@unifg.it; Lucia Mirabella - lucia.mirabella@unifg.it; Fedele Colantuono - fedele.colantuono@unifg.it

Foggia, 31st January 2024
h 9.30-13.30

SAFETY project - Closing Meeting

- ***New frontiers and opportunities for education in Medical science: the case of the European project "SAFETY"-***

Program

- 9.30 Participants registration
- 9.40 Welcome speech and greetings by the Unifg Director of Medical Department and SAFETY coordinator (Institutional representatives and Prof. G. Cinnella)
- 9.45 SAFETY project in a nutshell (Prof. L. Mirabella, UniFg)
- 10.00 The SAFETY results and final outputs (Dr. F. Colantuono, UniFg)
- 10.10 The SAFETY Moodle learning platform (Dr. A. Scrocco, Infotech)
- 10.25 Quality standards and skills certification for the accreditation of simulation centers (Dr. S. Brusa, SIAARTI)
- 10.45 "KPI and metrics imbedded into Laerdal Solutions" (Dr. Novella Callero, Laerdal, Italy)
- 11.00 Innovative Applications of Simulation in Healthcare: New Indications (Dr. C. Normand, UIS, Norway)
- 11.15 Healthcare training of the future: New opportunities for Simulation (Dr. J. Tempfli, LMU, Germany)
- 11.30 Patient Blood Management - a Romanian experience (Dr. M. Stefan, EICD, Romania)
- 11.45 Simulation in newborn: only smaller or different? (Dr. F. Lupi - SABES, Bolzano, Italy)
- 12.00 Simulation in Medical ventilation (Prof. C. Ferrando HUBC - Spain)
- 12.15 Simulation-Based Learning with Virtual Patients: Education and Training in Emergency Situations (Dr. A. Santa, TTW, Portugal)
- 12.30 The Unifg role amongst new International opportunities (Prof. M. Fiore, UniFg Delegate on International Affairs)
- 12.40 Final considerations and share of Good practices
- 13.30 Workshop closure and networking light lunch
