Information about the Institution

► Mission 2020-2030

Reasons for participating in the project

Practising in neutral Enviroment without Compromising Patient Safety

Enhancing Quality of Emergency Training throught improving effectiveness of Simulation Tools

Common Educational Framework Scalable

Mission: Helping Saving Lives

Our role in the different WPs and tasks of the project

- ▶ Sharing and making available good practices and Laerdal simulation tools
- ▶ Supporting simulation sessions for testing new tools or solutions
- ▶ Helping hands-on training to be recorded with feedback through SimCapture®
- ▶ Giving our support according with requests coming across the study phases

Experience in similar projects

What we expect from the project

- ▶ Better understanding students and learner needs
- ▶ Enhancing and increasing Laerdal expertise in Simulation modelling and design
- ▶ Through a common and validated model it will be possible to disseminate simulation largely

What we expect from the meeting

- ▶ Knowing other Partners
- ▶ Detailing how we can better support the project phases
- ▶ Sharing experience and practise
